# TUESDAY AT

## THE RAIN HAS NOTHING ON COOKOUT, HOMEMADE ICE CREAM, AND SONGS & STORIES!

A little rain can't stop Camp TLC from having a GREAT day! It was a cloudy, cool morning with afternoon rain followed by a beautiful evening. The youngest boy campers spent time at pottery using their imagination to create tiny coffee mugs, coyotes, and bowls. The fishing pier was a busy place with many fish being caught, which makes for very happy campers!

We weren't able to cook over the campfire but we did make it to our cookout sites to crank homemade Dr. Pepper ice cream and sing many camp songs! Some favorites were the Sock Song, Three Short-Necked Buzzards and Bazooka Bubble Gum.

Everyone went to bed dreaming of what's to come in the Wednesday Water Extravaganza!
